VOLUME 41

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, MARCH 1, 1946

NUMBER 17

\$200 Prizes Posted For Club Boy Show

FOUR CLASSES TO COMPETE IN SHOW THAT BEGINS AT 9:00 O'CLOCK FRIDAY

Final plans were completed this week for Hamlin's FFA and 4-H Club Livestock Show that will be staged here Friday on the show grounds of Hamlin City Park.

J. S. Inzer, general show superintendent, reminds people of this trade zone that show entries must be in place Friday morning by 9:00 o'clock. Judging will begin at 10:00 a. m., with M. B. Templeton, former Hamlin VA teacher and now Nolan County agricultural agent, judging.

Total premiums in Friday's exposition, contributed by the Hamlin and Anson Chambers of Commerce, will be \$200.

Classes in Friday's show, and department chiefs, follow:

Fat Beef Steers—\$75

John D. Ferguson, superintendent.

Dry-Lot Classes: Class 1. Steers weighing under 825 pounds: first, \$7; second, \$5; third, \$2; fourth, \$1; fifth, \$1; sixth, \$1; Class 2. Steers weighing 825 pounds or over: first, \$7; second, \$5; third, \$2; fourth, \$1; fifth, \$1; sixth, \$1; Class 3. Champion Dry-Lot Steer, \$5.

Milk-Fed Steers: Class 4. Milk-Fed Steers: first, \$10; second, \$6; third, \$4; fourth, \$1; Class 5. Grand Champion Fat Steer of Show, \$10; Reserve Champion Fat Steer of Show, \$5.

Fat Hogs—\$54

L. H. McBride, superintendent. Class 6. Fat Barrows and open gilts weighing 200 pounds or over: \$6; \$4; \$3; \$2; \$1; \$1; \$1; \$1; Class 7. Fat Barrows and open gilts weighing under 200 pounds: \$6; \$4; \$3; \$2; \$1; \$1; \$1; \$1; Class 8. Grand Champion Fat Hog of Show, \$10; Reserve Champion Fat Hog of Show, \$6.

Fat Lambs—\$30

La Foy Patterson, superintendent.

Class 9. Cross-Bred Lambs: \$5; \$3; \$2; \$1; \$1; \$1; Class 10. South Down Lambs: \$5; \$3; \$2; \$1; \$1; Class 11. Champion Fat Lamb of Show, \$5; Reserve Champion Fat Lamb of Show, \$3.

Registered Jersey Heifers—\$27

H. E. Brown, superintendent. Class 12. Heifers under one year old: \$5; \$3; \$2; Class 13. Heifers over one year but under two which have not calved: \$5; \$3; \$2; Class 14. Champion Jersey Heifer of Show, \$5; Reserve Champion Jersey Heifer of Show, \$2.

Andrew Josey Becomes Tuscola Elevator Man

Andrew Josey, long-time cotton buyer at Sylvester in its hey-day and a worker in Houston until a few months ago, has moved to Tuscola and bought a small farm.

Josey expects to become manager of a grain elevator in the area and buy cotton at Tuscola this fall. His brother, Allen Josey, farms and operates a store at Sylvester.

Mechanical Pickers to Make Cotton Profitable

Joe Culbertson, one of Hamlin's biggest wheat growers, thinks the only way a cotton crop will be profitable to the farmer, henceforth, is to gather the staple with a mechanical picker.

"Pickers get all the money and farmers all the worries," Culbertson states.

C. N. von Roeder of Snyder, co-operator of the Von Roeder Seed Farms, agrees with Culbertson and declares the day of the mechanical picker is already here.

C. N. and his brother, Nolan, are big investors in the seed game and look with optimism to the future.

LET'S MAKE ROOM

Do you, as a Hamlin citizen, want to see some more good citizens come to our town?

If you do, we must make room for them. Probably many homes could arrange for bedrooms and apartments with little trouble.

Jack Moorehead, advance man for the Southern Geophysical Company, a seismograph crew that will be working in this area for at least three months—probably six to eight months—was here this week seeking housing for eight couples and seven single men. They are high class folks.

If you have a bedroom or an apartment, please phone the Hamlin Chamber of Commerce.

CONTRACT WILL BE LET THIS MONTH ON McCauley Road

Contract on the vitally important Hamlin-McCauley highway will be let Wednesday, March 13, S. J. Treadaway of Abilene, District 8 highway engineer, informs Hamlin people.

The Hamlin-McCauley road project is described as one of the more important in this sector, since it will give all-weather travel from Hamlin south and west to the East-West Highway—known as U. S. Highway 180.

For many years citizens have seen the need of a new highway to replace the nine-mile Hamlin-McCauley dirt road.

Too, the road from here to McCauley makes a number of unnecessary jogs. The new highway will do away with the "crow-hop" road turns.

From McCauley, the highway will go on to Sylvester, and bids for this part of the road were advertised some three weeks ago.

TREES WILL HONOR THOSE WHO SERVED IN WORLD WAR II

The Texas Highway Department has planned a "living honor" for men and women who have served in the war. For motif the eight counties of this district, including Jones County, have chosen the live oak and the redbud trees. The chosen shrub is the flowering quince.

All people of the Hamlin area are called upon to plant at least one tree or shrub in their own yards to stand as a "living honor" to those who will not return and to those who have returned or will return. Public buildings are not to be neglected. Entrances into towns are also to be emphasized with "living memorial" suggestions.

Plans that cannot be achieved this year are to be completed later.

Organization for the work will be perfected as soon as possible. A local chairman for Hamlin will be named. Let work and plans start at once. —Leonora Barrett, Chairman, Jones County Roadside Development.

Positive Reaction for Some Milk Cows Tested

Out of 115 milk cows that have been tested recently here for Bang's Disease, 10 of the 85 first tested showed positive reaction. T. C. Blankinship, Hamlin School vocational agriculture teacher, reports.

Dr. L. R. Chapman has been working with Hamlin Future Farmers of America Chapter members in making the tests for Bang's Disease.

MEMBERSHIPS FOR 160 AREA FAMILIES IN HOSPITAL SIGNED

DEPOSITS OF \$8,135 MADE FOR INSTITUTION'S ACCOUNT AS DRIVE CONTINUES

Eight thousand one hundred and thirty-five dollars is the total amount on deposit or in process of being deposited for the Hamlin Memorial Hospital. That is not bad for one month's effort, considering that the first part of the campaign has been to explain the method of getting building funds and the plan of operation of the hospital when it is ready for patients.

One hundred sixty families have deposited their \$50.00 each or have started their payment. This has been done on faith and confidence, that finally a modern building for hospital use will be started. They know that no doctor or staff of doctors will settle in Hamlin territory unless first there is a suitable place in which to care for patients. What the people who have put down their money want is a hospital and as quickly as possible.

The new names for this week are:

Mrs. L. L. Cowan, tailoring; S. F. Clay, carpenter; C. T. Drake, farmer; C. G. Green, insurance; Mrs. Priscilla Johnson; Larry L. Holmes, farmer; Vernon Harris, farmer; Mrs. D. D. Harden, hotel; B. C. May, section foreman; George D. Raney, farmer; Homer Raney, Celotex worker; A. S. Stewart, garage; W. R. (Bill) Smith, carpenter. (Owing to slight illness this week we have not seen as many people as usual.)

If each family, who signs up for the hospital, will see and secure one other family, it will be surprising how soon we will be talking "location for building, the number of rooms to begin with, doctors, and nurses."

In the beginning of the try to create a hospital for the Hamlin territory, we knew it would take several months for development, and now with more than \$8,000 on deposit or in sight, we see that a \$35,000 building, as the first unit, is not so many months away.

An architect is now preparing a suggested front-view of the building, that will be on display to indicate what we are "shooting for." It will be for a fire-proof, thoroughly modern structure, perhaps shown in its full size when "grown," on a plan whereby a start of a few rooms can be added to. When such a building is up and ready, do not worry about getting two or three fine doctors and surgeons to serve the 500 to 700 member families with a potential 1,000 other families who are not members of the hospital association. This is an unusual field for a big practice, and soon the nation will get back to normal and doctors will be looking for such backing as they will find in our Hamlin territory. But in the meantime the people of this country must try to do their part.

We do not want to rush anybody into this. Ask questions, become wide awake to the health welfare of your family. You have not one cent to lose by putting up the \$50, whether you ever patronize the hospital or not. Bowen Pope, Secretary.

Membership Drive for Hamlin CC Scheduled

A concerted membership drive for the Hamlin Chamber of Commerce is scheduled to be conducted within the next few weeks, according to CC officials. New memberships, as well as increased pledges from old members will be sought.

Clyde Angel is chairman of the CC membership committee, which group will direct the campaign.

Don O'Neal Gets Pilot's License for Airplaning

Don O'Neal of the Waggoner Drug Company now has his pilot's license and flew his brother, John, to Gorman Tuesday.

The two spent Tuesday with their parents, Mr. and Mrs. W. A. O'Neal.

Hamlin Voters Favor Bonds For New School Over 6 to 1

BUTTRAM FILES APPLICATION FOR NEW WELL IN NEINDA SECTOR, OTHERS DRILL

Interest on the Jones County oil front centered this week in the Neinda community, where Buttram Petroleum Corporation has filed application for the No. 1 John B. Brown, a 2,900-foot rotary project.

Buttram's No. 1 Brown has been staked 447 feet from the north and east lines of the southeast quarter, Subdivision 3, League 358, Goliad County School Lands Survey.

In the Noodle field, The Herald learns, Humble Oil & Refining Corporation No. 1-B Riley Horton has been abandoned with no commercial shows, after testing to 5,618 feet—then plugging back to 2,550 feet.

Applications for two new wildcats and for two offsets to production were filed this week also for Jones County.

Three miles northwest of Hodges rig was being erected for the Geo-

chemical Surveys No. 1 D. H. Jeffries, a 3,000-foot cable tool test located 467 feet from the east and 2,880 feet from the south line of Section 4, Block 17, T. & P. Survey. West Central Drilling Company is contractor for the well.

Four miles north of Hawley Oscar Donley of Fort Worth has filed application to drill the No. 1 Roy E. Pritchard, a 2,000-foot cable test located 330 feet from the north and east lines of Section 24, Block 15, T. & P. Survey.

In the Lueders area, Jones & Stasney of Albany have completed the No. 1 Mrs. Mary A. Martin for the Bluff Creek sank producer with initial production of about five barrels per hour. Total depth is 1,600 feet.

The same operators have filed for a second well in the area, the No. 2 Martin, located 750 feet from the west and 220 feet from the north line of the south half of J. H. Wiehl Survey 13. Contract is for 1,650 feet with cable tools.

Across the Shackelford County line, five miles northwest of Lueders, the Hedrick Oil Company Ltd., Jones & Stasney No. 1 Dawson Conway, 1,700-foot cable test, was drilling below 1,275 feet. It is 1,650 feet from the west and 330 feet from the north line of Section 195, ETRR Survey.

MANY ENTRIES AT NINE-COUNTY CLUB SHOW AT STAMFORD

Considerable interest is being shown this week in the Nine-County FFA and 4-H Club Livestock Show which will be held in Stamford Saturday.

A number of entries will be on hand from the Hamlin area and those who may compete for prizes include boys of Nolan, Taylor, Calhoun, Shackelford, Fisher, Stone-wall, Haskell, Throckmorton—and of course the host county.

H. C. Stanley, Jones County agricultural agent, will be general superintendent of the show and A. C. Bishop, manager of the Stamford Chamber of Commerce, will be secretary.

Two classes of animals will be shown Saturday—fat beef steers with a prize list of \$132.50 and swine with premiums of \$72.

There will be, The Herald is advised, two classes for dry-lot steers—those weighing above 825 pounds and those under 825 pounds. There will be one class for milk-fed calves.

All 4-H Club and FFA boys of the Hamlin area are advised that Saturday's exposition will be staged at the Quarter Horse Stables of the Texas Cowboy Reunion Grounds.

Colorado City Defeats Throckmorton Quintet

The Colorado City Wolves eked out a 20 to 19 decision last Wednesday night in Abilene over Throckmorton's Greyhounds to emerge as District 5A basketball winners.

Colorado City, local sports fans will recall, won the opener at Colorado City, previous to the Abilene game, by a tally of 17 to 13.

Throckmorton evened the series with a win on its home court Tuesday night by a 28 to 20 count.

Locals Attend Legion Get-Together at Anson

Mr. and Mrs. Roy Brown, Mr. and Mrs. Jimmy Simmons, Mr. and Mrs. Gilbert Bowman, Mrs. L. L. Cowan, Mrs. Homer Raney, Pearl Hudson, and Van Huling attended the George Washington Birthday American Legion banquet which was held in Anson last Friday evening.

PLANS FOR EARLY CONSTRUCTION OF BUILDING PUSHED

CONTRACT CLOSED WITH BOND FIRM TO PURCHASE \$125,000 BONDS AT 3½% RATE

With an overwhelming poll of 161 tallies for and 24 against, Hamlin voters Saturday approved an issue of \$125,000 in bonds to finance construction of a new elementary school building.

Work on the new structure, now that the bond issue has been approved by a thumping majority, is due to start soon, I. R. Huchingson, Hamlin School superintendent, reports.

A contract has been closed with a Texas bond firm, it is announced, to purchase the bonds at no more than three and one-half per cent interest.

The bonding firm posted a \$2,500 check in good faith prior to the election.

The new \$125,000 grammar school structure, it is stated, will be erected on the site of the old building.

Hamlin people are cheered by the fact that all possible building material from the ancient school house now standing will be salvaged and utilized in the new edifice.

The old grammar school building site will be used for a school playground.

Present plans will call for laying off the foundation for the new building by the time the current school session ends.

Lack of strong opposition to Saturday's bond election proved an indication, observers state, that all Hamlin folks were more than anxious to provide a building adequate to take care of student enrollment, now, and leave room for expansion in class room enrollment down the years ahead.

Ted Russell Attending Houston Bank Session

Ted Russell of Hamlin's Farmers & Merchants National Bank, and his wife will fly from Abilene to Houston Friday, where Russell will attend the South Texas District Bankers' Association Saturday.

Russell, vice president of the local bank, and his wife will return Monday.

Ojeda White Accepts Employ with Attorney

Ojeda White, daughter of Mr. and Mrs. D. M. White, who finished Gail Business College, Abilene, last September, is now working for W. F. Martin, a Hamlin attorney.

Ojeda worked for several months on the greater Hardin-Simmons University campaign. She is working for Attorney Martin on a part-time basis at present.

NEWS

Bridal Shower Honors Mr. and Mrs. Dunmire

Mrs. Jack Collins was hostess for a bridal shower February 15 in her country home, honoring Mr. and Mrs. W. A. Dunmire, who were married January 5.

Guests were received in the hall where they registered in a beautiful hand-made bride's book of pink, blue and white. They were then directed to dining room, where Mrs. Roy Brown presided at the lace-covered tea table.

After guests were seated in the living room, little Lynn Herndon brought in a truck loaded with gifts which were presented to the honoree.

Present were Mes. J. W. Fomby, Albert Moore, Grover Smith, W. L. Hunter, Berna Reed, Robert Johnson, Roy Brown, Sam Bruner, Joe Bond Sr., Sam Jones, Raymond Waddle, Ernest Jenkins, Bobbie Rogers, Joe Junie Bond, Earl Herbst, Jim Lanham, Rose, Misses Minnie

Junior Literary Club Studies Health Topics

The Junior Literary Club met in the home of Elma Ree Brewer last Thursday. The meeting was called to order by the president Diane Carlton. Minutes of the last meeting were read and approved.

After the roll call an interesting program was given, with Bebe Shelton as program leader. "New Triumphs in Disease Prevention" was discussed by Bebe Shelton. Margaret McBride gave an article on "Tuberculosis." "The New Plastic Surgery" was discussed by Dora Joyce Culbertson.

Hayes, Ella Garrett, and Maud and Della Drake.

Those sending gifts were Mes. M. P. May, J. F. Vaughan, Rosco Greenway, O. L. Jenkins, Neppie Dunn, Ralph Riddle, Doris Morrison, Alton Hewett, Graham, Joy Walton, Thomas Ferguson, Dub Burgess, David Whitaker, Bill Stahl, R. C. Hayes, Delbert Kite, C. L. Garrett, C. Eoff, Bert Fomby, Dwane Stephens, J. L. Wilson, Rufus Herbst, J. M. Jones, Roy Stinnett, Jimmie Sedberry, L. C. Bonds; Mr. T. E. Harden, E. Kirksey, Dan Howard; Mr. and Mrs. Ted Russell, Misses Wanda Carrigan, Emma and Bessie Hayes, and Lillie Marie Sedberry; J. R. Bond, Stamford; Hattie and Ed Drake, Eastland; Mr. and Mrs. Roe Scott, Moran; Mr. and Mrs. T. W. Flenniken and Tommie and Sue, Levelland; Mrs. Keyendoll, Post; Mrs. Barrett, Pasadena, California; Mr. and Mrs. Joe Godwin, Riviera, California; Geneva Patterson, and Mrs. Lili Belle Herndon.

Inez Baggett, student at Texas State College for Women, Denton, spent last week-end with Mrs. D. D. Harden and friends.

Reception Honors Harden Newlyweds

Home of Mr. and Mrs. Jack Alford Harden was the scene Friday evening of a reception honoring Mr. and Mrs. Thad E. Harden Jr. of Fort Worth, who were married last Sunday at Independence, Iowa. Mrs. D. D. Harden, mother of the bridegroom, assisted in entertaining.

The bride is the former Betty Eleanor Jayne, daughter of Mr. and Mrs. Morris L. Jayne of Independence. She is a graduate of Independence High School. During the war she was a secretarial employee of the Army Service Forces at Washington, D. C.

The bridegroom, son of T. E. Harden Sr., and Mrs. D. D. Harden of Hamlin, is a graduate of Hamlin High School and of Texas A. & M. College, where he took his degree in architecture in 1938. A reserve officer in the U. S. Army engineers, Harden was called to duty in 1941, and was attached to the Second Engineers Battalion, Second Division, at Fort Sam Houston and Camp McCoy. Captain Harden later was attached to the staff of the 13th Airborne Division and served with Army Service Forces in Washington, D. C. Upon his release from the Army he resumed his former association with Preston M. Green, Fort Worth architect.

The couple was married in the First Presbyterian Church in Independence, Iowa, last Sunday by Rev. David Tallman, pastor. Attendants were Beryle Jayne, sister of the bride, and J. A. Harden, brother of the groom. Linda Jane Murray was flower girl.

Receiving the bride and groom at the reception Friday night in Hamlin were the hosts and Mrs. Vivian Williams of Slaton, Lieutenant and Mrs. Thomas H. Williams, Mr. and Mrs. Harold Harden of El Paso, Mrs. John Ed Day, Judy Harden, Mrs. B. M. Brundage, Suzanne Toler, Shirley Baggett, Inez Baggett, Mr. and Mrs. Holly Toler, Mrs. J. Turner Bynum Jr. of Corpus Christi and T. T. Harden Sr. About 200 guests called during the reception.

Following their visit in Hamlin, Mr. and Mrs. Harden left Sunday for a wedding trip to Monterrey, Mexico. They will make their home at Fort Worth.

Mrs. Grace Odom and J. H. Hart Married

Wedding of Mrs. Grace Odom, daughter of Mrs. Lala Harbert of Hamlin, and J. T. Hart, son of Mrs. A. P. Houghton of Plano, was read at 7:30 o'clock Thursday evening in the home of Mr. and Mrs. Otis Harbert, brother of the bride, at 220 East Campbell Street in Stamford.

An arrangement of pink and white gladioli flanked by tall white tapers in two-branch candelabra was placed between the living room and dining room to form the improvised altar, where the Rev. Miles B. Hays, pastor of the First Baptist Church in Stamford, officiated for the single ring ceremony read before members of the family and a few friends.

Peggy Van Harbert, niece of the bride, played traditional wedding music during the ceremony.

The bride wore a tailored one-piece dress of aqua blue crepe with accessories of black. Her corsage was of sweetheart roses. She has been employed by the Midwest Cooperative Oil Mill for the past two years.

Mr. Hart, who is assistant manager of the Midwest Cooperative Oil Mill, received his discharge from the armed services August 28, 1945, after serving three years in the Navy.

After a short wedding trip to Carlsbad, New Mexico, Mr. and Mrs. Hart will be at home here.

Those visiting in the home of Mr. and Mrs. E. L. Hines at Celotex last Sunday were Mr. and Mrs. Hershel Ewing and children, Daurice, Mary and Freddie of Abilene; Mr. and Mrs. J. V. Ewing and son, Don, of Rotan; and Rev. Williams of Abilene.

W. H. Eyssen Jr. Enters Race for County Judge

W. H. Eyssen Jr. who is back from the U. S. Navy, this week authorizes The Herald to announce his candidacy for county judge of Jones County.

Eyssen's formal announcement to voters will follow next week. Just discharged from the navy, Eyssen is opening up law offices here in Hamlin, where he has practiced, with exception of military service, since 1940.

Post Office and Bank Closed for February 22

Both the Hamlin Post Office and the Farmers & Merchants National Bank were closed Friday in observance of Washington's birthday.

No rural mail deliveries were made Friday because of the holiday observances.

Roger Q. Garrett Jr. Makes Announcement For County Judge Post

Roger Q. Garrett Jr. announces his candidacy for county judge of Jones County, subject to the Democratic primary next July.

In announcing as a candidate for county judge, I realize the duties and responsibilities of the office, and if you see fit to elect me as your county judge it is my only desire to serve you honestly and faithfully to the best of my abilities. I feel that I am capable and qualified to perform said duties.

I was born and reared in Jones County, where I lived the normal life of a farm boy. After graduating from John Tarleton Junior College I chose the University of Texas for more schooling. There I graduated from the school of law and was later granted a license to practice law in Texas by the state bar of Texas.

I volunteered for active duty with the infantry in 1942. I was assigned to the finance department of the 84th Infantry Division, in which I served for more than three years with 16 months overseas. I received an honorable discharge on January 27, 1946, as a staff sergeant with three battle stars and the Bronze Star Medal.

The work of the county judge is the type I enjoy and I have studied hard in preparation for such; therefore, I sincerely ask for your vote and influence in the July primary. It is my desire to see each and every one of you before the election. However, some one once said, "A man's virtues or evils can best be obtained from those who know him." Therefore, to those of you who do not

MRS. G. W. JAMES, LONG-TIME HAMLIN RESIDENT, PASSES

Death called last Thursday afternoon, 5:15 o'clock, and claimed Mrs. G. W. James, long-time Hamlin resident, following an illness of two weeks.

Mrs. James was born Emma Virginia Ray in Monroeville, Alabama, November 10, 1853. After her marriage to G. W. James in 1871, they moved to Louisiana. In 1873, Mr. and Mrs. James came to Bell County, Texas, where they lived until 1907. Since that date, they made Hamlin their home.

Mr. James passed away in 1918.

Of the 10 children born to Mr. and Mrs. James, only two survive. They are O. W. James and Mae James of Hamlin. Five grandchildren also survive.

Mrs. James had been a member of the Methodist Church since childhood. In her late years, she was unable to attend church, but she kept in touch with religious activities through her friends and pastor. Illness kept her confined to her home for several years, but she enjoyed callers and was always happy to have visitors. She was an ardent flower lover.

Funeral services for Mrs. James were held Friday afternoon, 4:00 o'clock, at the Hamlin Methodist Church. Rev. E. L. Yeats, pastor, officiated.

Pallbearers were Dr. S. E. Jones, Arch Morris, A. Hudson, Henry Jackson, M. T. Hudson, and G. R. Bennett.

Body of Mrs. James was taken overland in a Barrow hearse, and interment was at Belton.

The house in Denison where General Eisenhower was born still stands and will be made into a World War II memorial.

I know me personally I hope that you will talk to someone who does. Respectfully—Roger J. Garrett Jr.

Inez Baggett to Appear In Concerts at TSCW

Inez Baggett of Hamlin will appear with the Concert Band of Texas State College for Women in its formal third anniversary concert in the main auditorium at Denton Tuesday, March 5, at 8:15 p. m. Frederick W. Westphal will conduct the program.

The band will give a series of "pop" concerts in the College Outdoor Theatre April 30, May 7 and 14.

Miss Baggett, a freshman student at TSCW majoring in occupational therapy, plays the clarinet in the band. She is a niece of Mrs. D. D. Harden of Hamlin.

Hulen Bagwell on Way Back from Pacific Area

Hulen Bagwell, SSML 2-c, navy, is returning to the states and Hamlin in the next few days, the U. S. Pacific Fleet reported this week.

Hulen is returning to the United States aboard the U.S.S. Lenawee, which left Guam on February 9. The Lenawee is one of the U. S. Navy's many attack transports which supported the seizure of stepping-stone bases to Japan by carrying thousands of fighting men and their equipment to invasion beaches.

REDDY KILOWATT KITE FLYERS ARE ALWAYS SAFETY-WISE THEY STAY CLEAR OF 'LECTRIC WIRES AND FLY IN OPEN SKIES!

Your kites are lots of fun, boys and girls, but they must be flown properly if you want to be sure not to get hurt. Maybe it's hard for you to believe, but it's an actual fact that hundreds of youngsters throughout the country are seriously injured every year at kite-flying time, some from falls from trees or off buildings. So please be careful . . . watch these precautions, especially:

...Don't use string with wire in it. . . . Keep your string dry at all times. (A damp string is dangerous.)

...Don't climb trees or poles near electric wires to recover your kite.

Remember—you can help keep your record for safety of yourself and others at kite-flying time if you'll heed these warnings. Show this advertisement to your friends.

VEHICLE REGISTRATION IMPORTANT

Importance of every Jones County vehicle owner having his method of conveyance properly registered cannot be stressed too strongly, as Burt Dean, county tax assessor-collector, points out this week.

All titles for motor vehicles to be registered in 1946 must be in order, as most people know. The Motor Vehicle Division of the Texas Highway Department, in fact, emphasizes that the prior year's registration receipt must be presented to the tax collector and owner of a vehicle must have title to same.

A person in every day business pursuits might not think a certificate of title so necessary to a vehicle, but such document must be in order before licenses are renewed or before sale of the vehicle can be made. Too, a certificate of title is most important in case of a possible car theft.

THE WORLD'S REAL 4-FS

Fleas, flies, filth and famine are coming into sharp focus as the world's real 4-F's of humanity. From the rubble and ruin of Europe famine is "riding herd" again and will be that country's No. 1 death killer before another harvest season matures.

Mass starvation in Europe threatens, indeed, to kill more people than the guns of the Allies did, and, despite all the United Nations can do, peoples already suffering from malnutrition will fall by the way before spring thaws bring th melted snows down from the mountains.

While we have no special problem here of famine, we will have problems in combating the other three horsemen—fleas, flies and filth—and Hamlin area people can do much to remedy occurrence of any one. If we rid this area of flies we destroy the basis of typhus; if we keep all flies eradicated we lessen spread of many communicable diseases, and if we keep our back yards and premises clean and inviting we add considerably to enrichment of the entire community life.

LIVESTOCK NEEDS ENCOURAGEMENT

Every person of the Hamlin area who not only believes in Future Farmers of America and 4-H Club work, but in the future of Hamlin area stock farming should make a special effort to attend Friday's FFA and 4-H Club Livestock Show.

Not only are cash prizes an attractive inducement, but the boys have better-quality livestock to show than in several years past, and encouragement from our citizenship will do much to keep the livestock shows an annual Hamlin institution.

Without fine blooded livestock we could not hope for a permanent agriculture in Jones County, and without an incentive we cannot expect our boys to be interested in raising better animals—not only for show purposes—but for local and national markets.

If Texas had not gotten away from the Longhorn steer and converted to the Whiteface, our livestock industry would have folded up many years ago. If we do not, however, back our boys with the present fine animals we have now, we cannot expect the future to bring the just rewards it can if we so incline our activities and put quality above quantity.

HAMLIN HOSPITAL IS SOUND BUSINESS

With the American people having more money to spend during the past three or four years than ever in the history of the country, we have read and heard much about the soundness of investments under somewhat inflated circumstances.

Bonds and stocks, residential and business property and other commodities will no doubt take decided nosedives within the next five years that will make many of us wonder whether we were wise in making the investments.

We believe people of the Hamlin area have in memberships in the Hamlin Memorial Hospital Association opportunity to invest in not only provision for their families' health security, but that the investment is a sound one from a financial standpoint. One major operation in a family that under ordinary conditions at a distant hospital would cost from two to three times as much as it would under the membership and fee plan proposed for the Hamlin Memorial Hospital.

To be sure, the value of the life of a loved could not be estimated. But with the erection of a close-at-hand hospital here in Hamlin, that could be reached within a short time, might well save the lives of community people needing emergency hospital attention.

For a sane, sound and practical investment count a membership for your family in for \$50!

WHAT CONTEMPORARIES ARE SAYING

OUR FREIGHT RATE FIGHT

Progress toward victory in the long fought inter-territorial freight rate parity case recently has been blocked by injunction proceedings brought in a three-judge federal court sitting at Utica, New York, a state where equal and uniform rates are not wanted.

First, the East will never eventually win the pending suit. New York and eight other states in the official zone that have joined in the obstructive campaign may be able to delay the putting into effect of the ICC's order, but in the end they cannot defeat it. For it is right and needful and was based on an overwhelming mass of facts produced at nine hearings over a five-year period, showing that for 57 years the South and Southwest—and Texas—have had to struggle against the cruel handicap of transportation charges on manufactured goods moving by rail that have averaged, so far as Texas is concerned, 60 per cent higher than in the East on equal haul. Those who have borne this burden, chiefly the producers and consumers, feel that the time of their emancipation is at last on the way.

Second, those who have made the fight for the producing and consuming public are organized, poised to fight on. They feel that the case is now in the hands of and up to the United States Department of Justice, to which agency they have the right to look for leadership in defense by it of an official order of the government that is being attacked. Such is this department's prerogative and solemn duty. The WTCC Freight Rate Equality Federation and cooperating agencies stand ready to lend any and every aid that may be called for by Attorney General Tom Clark in making the final victory.—West Texas Today.

COUNTY CLUB BOYS AND GIRLS OBSERVE NATIONAL WEEK

Members of boys' and girls' 4-H Clubs of Jones and other Texas counties will observe National 4-H Club Week March 2 through March 10. Hannah Nabors, Jones County home demonstration agent, announces this week.

Members of girls' and boys' 4-H Clubs made a wonderful record in the production of food during the war years. Boys fed out and marketed meat animals and poultry and produced field crops and gardens. Club girls grew gardens, canned hundreds of containers of food, raised poultry and even successfully invaded the boys' field of feeding calves and pigs. Both boys and girls made records while taking a larger part in regular farm work than ever before, Miss Nabors states.

Four-H Club work has a special meaning for Texans. The first boys' club in the world was formed in Jack County 38 years ago. The idea originated with Tom M. Marks, publisher of a weekly newspaper, who later became county agricultural agent for that county. The first group was organized to grow better corn and was known as the Boys' Corn Club. The first girls' club in Texas was in Milam County, where Girls' Tomato Clubs were organized in 1912.

That's the history of the youth movement which ties Texas so closely with 4-H Club work. Since the small beginning it has spread to every state with more than 1,500,000 enrollments, and to other countries.

The Jones County home demonstration agent says 10 guideposts for 4-H Club programs in 1946 have been worked out. To help prepare tomorrow's citizens, physically, mentally and spiritually, 4-H Club work provides opportunities for voluntary participation in programs built on needs and interests through which youth are:

- (1) Developing talents for greater usefulness; (2) joining with their

Terrell Foods Installs Doughnut Making Unit

Terrell Foods, located across the street from the Ferguson Theatre, has installed a Downy Flake doughnut making machine that turns out fresh doughnuts daily.

The doughnut manufacturing machine not only measures out the batter but drops the dough into the frying unit. The machine automatically slides out crisp, brown and freshly-done doughnuts within a short time

Boy Scouts and Leaders Enjoy Overnight Camp

Joe McCrary, Mardell Lynch, Art Carmichael and Jim H. King accompanied 28 Hamlin Boy Scouts to Hamlin Lake Friday evening.

The entire group participated in an overnight camp. Following supper Friday evening, an enjoyable time was spent around the camp fire and boys who went on the outing declared themselves heartily in favor of another such "bivouac."

friends for work, fun and fellowship; (3) learning to live in a changing world; (4) choosing a way to earn a living; (5) producing food and fiber for home and market; (6) creating better homes for better living; (7) conserving nature's resources for security and happiness; (8) building health for a strong America; (9) sharing responsibilities for community improvement; and (10) serving as citizens in maintaining world peace.

LIONS GROUP WILL MEET TUESDAY AT SYLVESTER SESSION

A. Spencer, club vice president, resided Tuesday noon at regular weekly luncheon of the Hamlin Lions Club. When President Art Carmichael entered, he took the chair. The group joined in singing "Home on the Range."

Following failure of the plan for a contest between Hamlin Lions and Hamlin Rotary Club, members decided to proceed with the hospital memorial membership campaign.

Henry Albritton announced that the Sylvester Lions Club had invited Hamlin Lions Club to the next regular Sylvester gathering next Tuesday night. About 12 Hamlin Lions will attend the conclave.

T. C. Blankinship, Hamlin School instructor, reported that the FFA boys attended the Roby Stock Show Saturday and copped four

placings out of four entries in the dry-lot calf class.

Blankinship, in further remarks, said the Hamlin FFA boys also won four places, Roby show, in the hog division and six places in the Jersey heifer division.

Monday, at Sweetwater, the Hamlin boys won placings at this four-county exposition.

It was pointed out that plans have been finished for the March 1 show here. Entries will include at least 25 calves, 25 hogs, 15 Jersey heifers, and 20 sheep.

President Art Carmichael announced that Ted Russell and John Howard constituted personnel of the March program committee.

NOW IS TIME FOR PRUNING OF FRUIT TREES SAYS AGENT

Now is the time for all people of the Hamlin area to get busy and care for their fruit trees.

It's time, right now, reports H. C. Stanley, county agent, for folks to prune, spray, fertilize and loosen the ground around fruit trees.

There is yet time, Stanley continues, to get a new orchard started this season. Select as large a variety of fruit trees as possible; plus kinds that are adapted to this locality and get them planted before the dormant buds begin to "pop." In areas of extremely cold winters, early spring plantings are preferred to late fall and winter.

The dormant pruning job which may not have already been done should be done immediately. All fruit trees and vines should be pruned some each dormant season.

If San Jose scale (an ash-gray scale on trunk and limbs), a leaf curl and brown rot are prevalent on plums, peaches, and related fruits, spray thoroughly just as the buds begin to swell, with liquid lime sulphur or dry lime sulphur mixed with water according to directions on the container. If scale is unusually heavy, earlier spraying with a three per cent oil emulsion spray is advisable.

In the bearing orchard, if a few trees have died or look unusually sick, dig them up and replace with new trees. The soil supporting dead or dying trees may be infected with diseases that will attack newly planted trees. To be safe, remove all soils supporting the old tree and replace with new, clean soil.

Blackberries may be started this month by using rooted section of the old plant, young plants that may have grown near the mother plant, or from root cuttings. Berry roots three to six inches long and three-sixteenths to one-half inch in diameter, planted two per hill and spaced eight to 12 inches apart should give an excellent start. Thin them out if too many "come up."

Dewberries may be propagated from young rooted plants this month. Cut and store pecan budwood of the desired variety for spring pecan budding and grafting work. This is a simple, easy job for the interested propagator.

March is an excellent month to dehorn pecan trees on which it is desired to propagate the desired variety of pecan. Trees so dehorned are usually "patch-budded" the following June or July with "current season" buds of the desired variety, Stanley concludes.

A Lubbock preacher thanked his congregation for a gift of brandied peaches, especially for the spirit in which they were given.

VFW WORKING ON AMERICANISM FOR MAJOR ACTIVITY

"Americanism is an unflinching love of country; loyalty to its institutions and ideals, eagerness to defend it against all enemies; undivided allegiance to the flag and a desire to secure the blessings of liberty to ourselves and posterity."

This was the statement of officials of the Hamlin VFW unit this week, who stated further:

Fulfillment of this definition reflects the purpose of the Veterans of Foreign Wars or the United States in its efforts to co-ordinate the Americanism activities of its local units.

The VFW Americanism program is broad in scope and variety. In general, the VFW Americanism program includes educational opposition to subversive and un-American activities; the promotion of community welfare; cooperation with all groups working toward the goal of "better Americans and a better America;" naturalization of aliens; observance of patriotic holidays and anniversaries; and youth welfare and education.

The VFW Americanism program stresses the theme that American citizenship is both a privilege and a responsibility; that the blessings of democracy must be preserved against the carelessness and indifference of those they benefit; that liberty and freedom can be lost to those who fail to value these blessings.

The Veterans of Foreign Wars of the United States advocates the principle that a great nation cannot be maintained successfully without personal sacrifices by its citizens. Hence the service rendered by a VFW member in time of war does not represent the full measure of his obligation to his flag and country. It merely brings to him a realization that his service and sacrifices—and those of his comrades-in-arms—represent an investment in America which must be constantly protected in times of peace.

The Hamlin unit of the VFW Post No. 6,014 meets every first and third Tuesday night at 7:30 o'clock p. m. over the City Hall. All veterans are urged to join our post. Join today!

HOME AGENT SAYS PLANT BED GIVES GARDEN BIG START

Here it is gardening time again, states Hannah Nabors, Jones County home demonstration agent. And 3,500 home gardens, at least, is the goal of Jones County homemakers.

Providing vegetables through a home garden is not only economical but encourages better nutrition for the family, Miss Nabors continues.

By this time most gardeners should have the site prepared and ready for planting. In order to get high productivity and good quality products some consideration should be given to the varieties of vegetables adapted to this locality. A few vegetable plants, that are frost tender, lend themselves well to starting in a hotbed or plant box.

A demonstration on how to make this plant bed and handle the plants from it was given to 185 4-H Club girls in 11 clubs during the meetings in February. Part of the same demonstration was given to Home Demonstration Club women.

In making the plant bed, equal amounts of garden soil and fertilizer were mixed in a plant box. The rows were marked off four inches apart, and tomato seed dropped four or five to the inch. The seed were covered about one-half inch deep and small gravel was sprinkled over the top before the bed was thoroughly sprinkled with water. Suggestions on care of the plants included protection from too much sun or extreme cold, and applications of water to keep the bed slight-

79 in Jones County on Social Security Benefit Roll Get \$1,193 Month

Jones County, at present, has 79 persons who receive \$1,193 in monthly Social Security benefits, the Abilene District of the Social Security Administration announced Tuesday.

Ralph Fisher, manager of the Abilene office, says the Abilene field office distributes a total of about \$23,790 each month—in 16 counties of this area—to 1,554 persons.

Sixty per cent of all beneficiaries in Jones and other West Texas counties are women and children.

Tabulation of figures for Jones and nearby counties follows:

	rec.	amt.
Jones	79	\$1,193
Haskell	54	716
Kent	10	112
Stonewall	1	24
Taylor	336	6,080
Nolan	95	1,380

ly moist at all times. As plants are transplanted to the open garden after danger of frost is over, they may be watered with a starter solution made up by using one pound of 4-12-4 fertilizer, or Vigoro, to six gallons of water. About one pint around each plant will increase the growth about 40 per cent the first month, which will give the plant an earlier start and help in setting the fruit.

ED AKERS, SANTA FE ENGINEER, DIES AT HOME IN HAMLIN

Funeral services for W. Ed Akers, 57, Santa Fe engineer, were held Tuesday afternoon, at 2:30 o'clock, at Barrow Funeral Home, Hamlin, with Brother Mardell Lynch, Hamlin Church of Christ minister, officiating.

Mr. Akers died Sunday morning, 8:30 o'clock, at his home after a brief illness. He had made his home in Hamlin since 1914.

Mr. Akers is survived by the widow and a daughter, Marie.

Pallbearers were George Owens, Ben Wagner, Jack Hinkle, Ronnie Kidd, Paul Wick and Delbert Rountree.

Barrow Funeral Home directed arrangements, and Mr. Akers was laid to rest in East Cemetery.

Santa Fe Traveling Auditor Reports Safe Cracking on System

While at Sylvester, R. H. White, traveling auditor of the Panhandle & Santa Fe Railroad Company, with headquarters at San Angelo, said a wave of safe crackings had been reported at stations on the Santa Fe Railway.

White reports four safe cracking jobs in the last four days. Yeggs knocked knobs or blew safes at Muleshoe, Sudan, Amherst and Levelland. The heaviest loot was \$16 secured at Levelland.

"We are expecting an epidemic of this sort on our lines as was the case following World War I," White said. White was here making his periodical check of the local freight and passenger accounts.

White's son, a member of the Lost Battalion, has arrived safe at home, he said.

W. W. Green Erecting New Produce Building

One of Hamlin's new business structures going up this week is a new stucco job just east of the F. & M. National Bank.

The building is being erected by W. W. Green. It is understood it will be used as a produce house.

IF YOU ARE PALE, WEAK 'DRAGGED OUT'

due to MONTHLY LOSSES—

You girls and women who lose so much during monthly periods that you are pale, feel tired, weak, 'dragged out'—this may be due to lack of blood-iron.

So start right away—try Lydia E. Pinkham's TABLETS—one of the best and quickest home ways to help build up red blood to get more strength and energy—in such cases.

Pinkham's Tablets are one of the greatest blood-iron tonics you can buy. Just try them for 30 days—then see if you, too, don't remarkably benefit.

Pinkham's Tablets are also famous to relieve monthly pain, due to female functional, monthly disturbances.

Baptist Business Women Elect New Officers

The Business Women's Sunday School Class of the First Baptist Church met Friday, February 22, at 8:00 p. m. in the home of Mrs. John Walton, to organize and elect officers for the new class.

A Mexican dinner was enjoyed by the following members: Mrs. Vera Nobles, Mrs. Ross Fomby, Nettie Bowen, Mae Gay, Mrs. Lewis Yates, Willie B. White, Mrs. Dub Burgess, Mrs. Everett Townley, Mrs. Austin Poe, and Florene Cornett.

After the dinner, the teacher, Mrs. Austin Poe, took charge of the meeting and the following officers were elected:

Assistant teacher, Mrs. W. C. Russell; president, Mrs. Vera Nobles; first vice president, Mrs. Ross Fomby; second vice president, Lennie Greenway; third vice president, Mrs. Lewis Yates; secretary-treasurer, Nettie Bowen; assistant treasurer, Elsie Withers; and reporter, Florene Cornett.

This class urges all members to be present each Sunday and invites all the business ladies of Hamlin to attend.

J. H. Rhotons Honored On Golden Anniversary

Mr. and Mrs. J. T. Rhoton were honored in the home of their son, Mr. and Mrs. J. R. Rhoton, near McCaulley Sunday by their children with a dinner. It was their golden anniversary.

Dinner was served, featuring a big golden anniversary cake.

Many gifts were received by the long-time area residents, both by attendants and others who sent remembrances.

Children of the honorees present for the happy occasion were Mr. and Mrs. J. R. Rhoton and children, Wilma and Robert Jr. of McCaulley; Mr. and Mrs. Tom Mahaffey and children, Christine, Florene and Euline, of Roby; Mr. and Mrs. George Rhoton and children, Alice Wayne and J. P., of Roby; Mr. and Mrs. Marvin Rhoton and children, J. R. and Elmer, of Celotex; Mr. and Mrs. Earl Rhoton of McCaulley.

Teen Aged Meet in O. G. Harvey Home

Hamlin Jolly Teen Age Club met Saturday evening in the home of Mrs. O. G. Harvey. Beverly Ann Harvey was hostess, with Lavena Kite as co-hostess.

An exceptionally enjoyable time was reported by attendants, especially with the "duck wedding."

Refreshments of soda pop, fritos, candy and cookies were served to the largest group of teen-agers yet to attend such a gathering. Saturday evening's event constituted the seventh of the Jolly Teen Age Club parties.

Attendants at Saturday's gathering were: Phyllis Richardson, Edith Ann Scott, Jane Adams, Nevalyn Bagwell, Verlene Stewart, Joyce Barnett, Alice Beene, Mozelle Barnett, Jeanette Bevels, Sarah Steele, Ida Frances Robertson, Maudie Beene, Elma Ree Brewer, Olive Adams, Betty Jane Barry, Wanda Jean Mayfield, Wanda Rae Ford, Lovena Kite, Patsy Brashier, Joyce Robertson, Margaret McBride, Diane Carlton, Jo Ann French, Jerita Durham, Margaret Ryan, Shirley Baggett, Suzanne Toler, Betty Lou Ferguson and Beverly Ann Harvey; F. W. Poe, Joe Weir, Larry McCoy, Theodore Copeland, Doyle Dean, Arthur Tom Carlton, Jack Gray, Gene Richardson, Runt Rodgers, Ray Myers, Bob Smedley, Jerry Wagoner, Jimmy French, James Brown, Thomas Marr, Otis Perry, Bob Westmoreland, Norris Blanton, W. C. Moore Jr., Don Petty, Jack Dean, Elton Brigham, Bill Pritchard, Elmer Terrell, Harvey Rivers, Jesse Locke, Joe Clements, Jack Owen, Herman Wood, Jack Bowman, Bob Crowley, Bobby Bawell and Mrs. Harvey.

Crowned king and queen of fun for the evening were Patsy Brashier, queen, and Thomas Marr, king. They will reign as king and queen of fun until the next party at the Harvey house.

Methodist Women Slate Two Meetings

The Woman's Society of Christian Service will meet in the home of Mrs. C. F. Butcher Monday afternoon at 3:00 o'clock for a visit socially.

The women will meet at the Methodist Church Friday, March 1, at 11:00 a. m. for a "World Day of Prayer" service.

Call 241 and tell your news items.

Bits of News About Your Friends

Mrs. J. C. Lambkin of Oklahoma City is here visiting her mother, Mrs. W. H. Murphree.

Mrs. B. S. Ferguson is visiting her daughter, Mrs. Weldon Carlton, in Holdenville, Oklahoma.

Mrs. Ross Fomby spent last weekend in Lubbock visiting her brother and wife, Mr. and Mrs. Frank Riddle.

Maedean Maberry of Texas State College for Women, visited her father, Willard Maberry, the past week-end.

Mrs. Lambkin, who is well known in this area, plans to be here several days. She and her husband plan to make Dallas their home in the near future.

Guests of Mr. and Mrs. Walter Hargrove the past week-end were: H. A. Payne, Mrs. Hugh Payne and son of Cross Plains, Texas, and Frank Payne of Los Angeles, California.

Visiting Dr. and Mrs. Don Gould the past week were Drs. Q. D. and Beulah Gould of Stamford, Dr. and Mrs. W. R. C. Allen and son, and Mr. and Mrs. Charles Rothwell, of Abilene. Mrs. Rothwell is Mrs. Don Gould's sister.

Mrs. Frances Eddie Harrison of Memphis, Texas, visited friends and relatives in Hamlin the past week.

Paul Hudson and wife arrived from Harrisburg, Pennsylvania, on Monday afternoon. Paul has recently returned from overseas service.

Joan Culbertson, accompanied by Joan Crabb of Leonard, Texas, both students at Texas State College for Women, Denton, visited Mr. and Mrs. Joe L. Culbertson last week.

COUNTY AGENT HEARS CEILING PRICES ON PRODUCTS TO BE REMOVED GRADUALLY

H. C. Stanley, county agricultural agent of Jones County, attended the Extension Service District 7 meeting in Brownwood last Wednesday and Thursday. At this meeting the agent learned several things which he wants to pass on to Herald readers.

Bill Morgan, economist for the Texas A. & M. College Extension Service, made the statement that net farm income likely would drop a little in 1946—perhaps 10 to 15 per cent. He based his opinion largely on these assumptions: Farm prices would average somewhat lower; farm production would not quite reach the 1945 level; and farm production costs would at best drop only slightly.

Tyrus R. Timm, economist in farm management for the A. & M. College Extension Service, gave the following information:

Inflationary pressures are vastly greater today than they were at the end of the last year. Military expenses to date have totaled \$290,000,000,000 compared with only \$32,000,000,000 spent by our government on World War I. Military outlay alone for the first 10 months after VJ Day—after actual fighting had stopped—will approximate \$41,000,000,000—nine billions more than the total cost of World War I.

Total savings increased in this war period by \$150,000,000,000 as compared to \$27,500,000,000 in World War I. Furthermore, in 1919 national spendable income (after taxes) was \$65,000,000,000. In 1946 it is expected to reach \$121,000,000,000. Added to these pressures, only \$95,000,000,000 of consumer goods and services likely will be produced in 1946, leaving a gap of \$26,000,000,000.

Ceiling prices on important farm commodities probably will be continued in 1946 as long as retail prices of these commodities are generally at ceilings. At present price ceilings are on most of the farm commodities. One of the important exceptions is Irish potatoes. Ceilings have been suspended for a certain period on this item.

Farm commodities will be de-controlled commodity by commodity with a tried period of suspension before controls finally are dropped. Early in the winter government officials predicted that price ceilings on food commodities could be de-controlled as follows: Eggs and cer-

tain vegetables shortly after January 1; milk and other dairy products about April 1; grains, legumes, and field seeds by late spring; low quality, utility, stew, and processed meats during the summer grass-fed cattle run; sugar, fats and oils and top grades of meat in late 1946. Recently officials stated flatly that the supply-demand situation was such as to prevent following this pattern. Therefore, it is expected controls will last several months longer than first anticipated.

The price control law expires June 30, 1946. There is general feeling that the act substantially in its present form will be extended at least for another six months.

CAMP FIRE GIRLS OFFICIAL WORKING IN HAMLIN REGION

Miss Clarie Barricks, national field worker with the Camp Fire Girls, arrived here Monday and will be in this sector until March 5, it was announced Tuesday by Hamlin Camp Fire Girls officials.

Miss Barricks will have an exhibit on display made by the National Art Department in New York City and will teach craft techniques during her stay here.

All Girl Scout leaders are cordially invited to attend these craft courses, being held here, at Knox City, Albany and Haskell.

Program for Miss Barricks, which should be clipped for future reference, follows:

Thursday, February 28, Haskell: Training course, 2:00 p. m. in High School, sponsored by P. T. A. Mrs. Ray Sanders, president.

Friday, March 1: Anson; afternoon training course.

Saturday, March 2, Knox City: Miss Barricks will speak at Knox City Study Club. Mrs. E. F. Bron-ton, president.

Gypsy Hour, 4:30, sponsored by Horizon Club for Blue Bird-Camp Fire Girls. All girls of Rule, Rochester, Munday, and Knox City are invited.

Monday, March 4, Knox City: Training course, 4:00 p. m. for leaders, Guardian sponsors. Rochester, Rule, Munday and Knox City are invited.

Tuesday, March 5, Aspermont: for Aspermont and Jayton. Training course, 2:00 p. m. at Hotel Stonewall. P. T. A. sponsor; Mrs. T. Houston Ward, president. "Gypsy Hour," 4:00 p. m. sponsored by P. T. A. for all Blue Birds, Camp Fire Girls and Horizon Clubs. Evening board meeting Hotel Stonewall.

Frank Joiner Gets Discharge.

Among those receiving honorable discharges from the United States Navy during the past few days was Frank James Joiner, seaman second class, of Hamlin, according to advice from the branch office of Public Information, Eighth Naval District, at Dallas.

Local Grocers in New Wholesale Foods Firm

J. B. Terrell and Joe Simpson of Hamlin are among stockholders of a newly created wholesale grocery business which nearly 40 independent grocers of this area formed.

The new enterprise, which will have headquarters at Abilene, has been named Independent Wholesale Grocery Company. Application for a state charter, The Herald understands, has been filed.

General manager of the new enterprise is George Sallee, who has been identified with the wholesale grocery business in Abilene more than 20 years.

President of the corporation is E. L. Thornton, head of Thornton Department Store, Abilene. Other officers include J. M. Lawrence of Sweetwater, vice president, and E. C. Nichols, Abilene Piggly Wiggly storeman, secretary-treasurer.

MRS. NINA STACY DIES FRIDAY NIGHT AT HOME IN HAMLIN

Mrs. Nina Stacy, 75-year-old Hamlin resident, succumbed Friday evening, 7:45 o'clock, at her home here in Hamlin after a brief illness.

Mrs. Stacy, who was well known in this trade section, had lived here 39 years.

Final rites were held Sunday afternoon, 3:00 o'clock, at Barrow Funeral Parlor. Rev. Cundieff officiated.

Mr. Stacy, it will be recalled, passed away April 3, 1944.

Mrs. Stacy is survived by a son, Harris Stacy, and a daughter, both of Dallas.

With Barrow in charge of arrangements, burial was made in East Cemetery.

Dr. McCrary Attends District Dental Session

Dr. J. W. McCrary, Hamlin dentist, and Billy Holmes, dental student, joined dentists of North and West Texas Saturday evening in Abilene for a convention of the 17th District Dental Society.

Dr. McCrary reports that plans were made at the convention and banquet to resume meetings quarterly within the district. During the war, activities of the group were severely curtailed. Next meeting will be in Sweetwater May 25.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

FOUR CLASSES TO COMPETE IN SHOW THAT BEGINS AT 9:00 O'CLOCK FRIDAY

Final plans were completed this week for Hamlin's FFA and 4-H Club Livestock Show that will be staged here Friday on the show grounds of Hamlin City Park.

J. S. Inzer, general show superintendent, reminds people of this trade zone that show entries must be in place Friday morning by 9:00 o'clock. Judging will begin at 10:00 a. m., with M. B. Templeton, former Hamlin VA teacher and now Nolan County agricultural agent, judging.

Total premiums in Friday's exposition, contributed by the Hamlin and Anson Chambers of Commerce, will be \$200.

Classes in Friday's show, and department chiefs, follow:

Fat Beef Steers—\$75

John D. Ferguson, superintendent.

Dry-Lot Classes: Class 1. Steers weighing under 825 pounds: first, \$7; second, \$5; third, \$2; fourth, \$1; fifth, \$1; sixth, \$1; Class 2. Steers weighing 825 pounds or over: first, \$7; second, \$5; third, \$2; fourth, \$1; fifth, \$1; sixth, \$1; Class 3. Champion Dry-Lot Steer, \$5.

Andrew Josey Becomes Tuscola Elevator Man

Andrew Josey, long-time cotton buyer at Sylvester in its hey-day and a worker in Houston until a few months ago, has moved to Tuscola and bought a small farm.

Josey expects to become manager of a grain elevator in the area and buy cotton at Tuscola this fall. His brother, Allen Josey, farms and operates a store at Sylvester.

Mechanical Pickers to Make Cotton Profitable

Joe Culbertson, one of Hamlin's biggest wheat growers, thinks the only way a cotton crop will be profitable to the farmer, henceforth, is to gather the staple with a mechanical picker.

"Pickers get all the money and farmers all the worries," Culbertson states.

C. N. von Roeder of Snyder, co-operator of the Von Roeder Seed Farms, agrees with Culbertson and declares the day of the mechanical picker is already here.

C. N. and his brother, Nolan, are big investors in the seed game and look with optimism to the future.

MEMBERSHIPS FOR 160 AREA FAMILIES IN HOSPITAL SIGNED

DEPOSITS OF \$8,135 MADE FOR INSTITUTION'S ACCOUNT AS DRIVE CONTINUES

Eight thousand one hundred and thirty-five dollars is the total amount on deposit or in process of being deposited for the Hamlin Memorial Hospital. That is not bad for one month's effort, considering that the first part of the campaign has been to explain the method of getting building funds and the plan of operation of the hospital when it is ready for patients.

One hundred sixty families have deposited their \$50.00 each or have started their payment. This has been done on faith and confidence, that finally a modern building for hospital use will be started. They know that no doctor or staff of doctors will settle in Hamlin territory unless first there is a suitable place in which to care for patients. What the people who have put down their money want is a hospital and as quickly as possible.

The new names for this week are: Mrs. L. L. Cowan, tailoring; S. F. Clay, carpenter; C. T. Drake, farmer; C. G. Green, insurance; Mrs. Priscilla Johnson; Larry L. Holmes, farmer; Vernon Harris, farmer; Mrs. D. D. Harden, hotel; B. C. May, section foreman; George D. Raney, farmer; Homer Raney, Celotex worker; A. S. Stewart, garage; W. R. (Bill) Smith, carpenter. (Owing to slight illness this week we have not seen as many people as usual.)

If each family, who signs up for the hospital, will see and secure one other family, it will be surprising how soon we will be talking "location for building, the number of rooms to begin with, doctors, and nurses."

In the beginning of the try to create a hospital for the Hamlin territory, we knew it would take several months for development, and now with more than \$8,000 on deposit or in sight, we see that a \$35,000 building, as the first unit, is not so many months away.

An architect is now preparing a suggested front-view of the building, that will be on display to indicate what we are "shooting for." It will be for a fire-proof, thoroughly modern structure, perhaps shown in its full size when "grown," on a plan whereby a start of a few rooms can be added to. When such a building is up and ready, do not worry about getting two or three fine doctors and surgeons to serve the 500 to 700 member families with a potential 1,000 other families who are not members of the hospital association. This is an unusual field for a big practice, and soon the nation will get back to normal and doctors will be looking for such backing as they will find in our Hamlin territory. But in the meantime the people of this country must try to do their part.

We do not want to rush anybody into this. Ask questions, become wide awake to the health welfare of your family. You have not one cent to lose by putting up the \$50, whether you ever patronize the hospital or not. Bowen Pope, Secretary.

Membership Drive for Hamlin CC Scheduled

A concerted membership drive for the Hamlin Chamber of Commerce is scheduled to be conducted within the next few weeks, according to CC officials. New memberships, as well as increased pledges from old members will be sought.

Clyde Angel is chairman of the CC membership committee, which group will direct the campaign.

Don O'Neal Gets Pilot's License for Airplaning

Don O'Neal of the Waggoner Drug Company now has his pilot's license and flew his brother, John, to Gorman Tuesday.

The two spent Tuesday with their parents, Mr. and Mrs. W. A. O'Neal.

Hamlin Voters Favor Bonds For New School Over 6 to 1

BUTTRAM FILES APPLICATION FOR NEW WELL IN NEINDA SECTOR, OTHERS DRILL

Interest on the Jones County oil front centered this week in the Neinda community, where Buttram Petroleum Corporation has filed application for the No. 1 John B. Brown, a 2,900-foot rotary project.

Buttram's No. 1 Brown has been staked 447 feet from the north and east lines of the southeast quarter, Subdivision 3, League 358, Goliad County School Lands Survey.

In the Noodle field, The Herald learns, Humble Oil & Refining Corporation No. 1-B Riley Horton has been abandoned with no commercial shows, after testing to 5,618 feet—then plugging back to 2,550 feet.

Applications for two new wildcats and for two offsets to production were filed this week also for Jones County.

Three miles northwest of Hodges rig was being erected for the Geo-

chemical Surveys No. 1 D. H. Jeffries, a 3,000-foot cable tool test located 467 feet from the east and 2,880 feet from the south line of Section 4, Block 17, T. & P. Survey. West Central Drilling Company is contractor for the well.

Four miles north of Hawley Oscar Donley of Fort Worth has filed application to drill the No. 1 Roy E. Pritchard, a 2,000-foot cable test located 330 feet from the north and east lines of Section 24, Block 15, T. & P. Survey.

In the Lueders area, Jones & Stasney of Albany have completed the No. 1 Mrs. Mary A. Martin for a Bluff Creek sank producer with initial production of about five barrels per hour. Total depth is 1,600 feet.

The same operators have filed for a second well in the area, the No. 2 Martin, located 750 feet from the west and 220 feet from the north line of the south half of J. H. Wiehl Survey 13. Contract is for 1,650 feet with cable tools.

Across the Shackelford County line, five miles northwest of Lueders, the Hedrick Oil Company Ltd., Jones & Stasney No. 1 Dawson Conway, 1,700-foot cable test, was drilling below 1,275 feet. It is 1,650 feet from the west and 330 feet from the north line of Section 195, ETRR Survey.

MANY ENTRIES AT NINE-COUNTY CLUB SHOW AT STAMFORD

Considerable interest is being shown this week in the Nine-County FFA and 4-H Club Livestock Show which will be held in Stamford Saturday.

A number of entries will be on hand from the Hamlin area and those who may compete for prizes include boys of Nolan, Taylor, Callahan, Shackelford, Fisher, Stone-wall, Haskell, Throckmorton—and of course the host county.

H. C. Stanley, Jones County agricultural agent, will be general superintendent of the show and A. C. Bishop, manager of the Stamford Chamber of Commerce, will be secretary.

Two classes of animals will be shown Saturday—fat beef steers with a prize list of \$132.50 and swine with premiums of \$72.

There will be, The Herald is advised, two classes for dry-lot steers—those weighing above 825 pounds and those under 825 pounds. There will be one class for milk-fed calves.

All 4-H Club and FFA boys of the Hamlin area are advised that Saturday's exposition will be staged at the Quarter Horse Stables of the Texas Cowboy Reunion Grounds.

Colorado City Defeats Throckmorton Quintet

The Colorado City Wolves eked out a 20 to 19 decision last Wednesday night in Abilene over Throckmorton's Greyhounds to emerge as District 5A basketball winners.

Colorado City, local sports fans will recall, won the opener at Colorado City, previous to the Abilene game, by a tally of 17 to 13.

Throckmorton evened the series with a win on its home court Tuesday night by a 28 to 20 count.

Locals Attend Legion Get-Together at Anson

Mr. and Mrs. Roy Brown, Mr. and Mrs. Jimmy Simmons, Mr. and Mrs. Gilbert Bowman, Mrs. L. L. Cowan, Mrs. Homer Raney, Pearl Hudson, and Van Huling attended the George Washington Birthday American Legion banquet which was held in Anson last Friday evening.

PLANS FOR EARLY CONSTRUCTION OF BUILDING PUSHED

CONTRACT CLOSED WITH BOND FIRM TO PURCHASE \$125,000 BONDS AT 3 1/2% RATE

With an overwhelming poll of 161 tallies for and 24 against, Hamlin voters Saturday approved an issue of \$125,000 in bonds to finance construction of a new elementary school building.

Work on the new structure, now that the bond issue has been approved by a thumping majority, is due to start soon, I. R. Huchingson, Hamlin School superintendent, reports.

A contract has been closed with a Texas bond firm, it is announced, to purchase the bonds at no more than three and one-half per cent interest.

The bonding firm posted a \$2,500 check in good faith prior to the election.

The new \$125,000 grammar school structure, it is stated, will be erected on the site of the old building.

Hamlin people are cheered by the fact that all possible building material from the ancient school house now standing will be salvaged and utilized in the new edifice.

The old grammar school building site will be used for a school playground.

Present plans will call for laying of the foundation for the new building by the time the current school session ends.

Lack of strong opposition to Saturday's bond election proved an indication, observers state, that all Hamlin folks were more than anxious to provide a building adequate to take care of student enrollment, now, and leave room for expansion in class room enrollment down the years ahead.

Ted Russell Attending Houston Bank Session

Ted Russell of Hamlin's Farmers & Merchants National Bank, and his wife will fly from Abilene to Houston Friday, where Russell will attend the South Texas District Bankers' Association Saturday.

Russell, vice president of the local bank, and his wife will return Monday.

Ojeda White Accepts Employ with Attorney

Ojeda White, daughter of Mr. and Mrs. D. M. White, who finished Gail Business College, Abilene, last September, is now working for W. F. Martin, a Hamlin attorney.

Ojeda worked for several months on the greater Hardin-Simmons University campaign. She is working for Attorney Martin on a part-time basis at present.

Bridal Shower Honors Mr. and Mrs. Dunmire

Mrs. Jack Collins was hostess for a bridal shower February 15 in her country home, honoring Mr. and Mrs. W. A. Dunmire, who were married January 5.

Guests were received in the hall where they registered in a beautiful hand-made bride's book of pink, blue and white. They were then directed to dining room, where Mrs. Roy Brown presided at the lace-covered tea table.

After guests were seated in the living room, little Lynn Herndon brought in a truck loaded with gifts which were presented to the honoree.

Present were Mes. J. W. Fomby, Albert Moore, Grover Smith, W. L. Hunter, Berna Reed, Robert Johnson, Roy Brown, Sam Bruner, Joe Bond Sr., Sam Jones, Raymond Waddle, Ernest Jenkins, Bobbie Rogers, Joe Junie Bond, Earl Herbst, Jim Lanham, Rose; Misses Minnie

Junior Literary Club Studies Health Topics

The Junior Literary Club met in the home of Elma Ree Brewer last Thursday. The meeting was called to order by the president Diane Carl? ton. Minutes of the last meeting were read and approved.

After the roll call an interesting program was given, with Bebe Shelton as program leader. "New Triumphs in Disease Prevention" was discussed by Bebe Shelton. Margaret McBride gave an article on "Tuberculosis." "The New Plastic Surgery" was discussed by Dora Joyce Culbertson.

Hayes, Ella Garrett, and Maud and Della Drake.

Those sending gifts were Mes. M. P. May, J. F. Vaughan, Rosco Greenway, O. L. Jenkins, Neppie Dunn, Ralph Riddle, Doris Morrison, Alton Hewett, Graham, Joy Walton, Thomas Ferguson, Dub Burgess, David Whitaker, Bill Stahl, R. C. Hayes, Delbert Kite, C. L. Garrett, C. Eoff, Bert Fomby, Dwane Stephens, J. L. Wilson, Rufus Herbst, J. M. Jones, Roy Stinnett, Jimmie Sedberry, L. C. Bonds, Mr. T. E. Harden, E. Kirksey, Dan Howard; Mr. and Mrs. Ted Russell, Misses Wanda Carrigan, Emma and Bessie Hayes, and Lillie Marie Sedberry; J. R. Bond, Stamford; Hattie and Ed Drake, Eastland; Mr. and Mrs. Roe Scott, Moran, Mr. and Mrs. T. W. Flenniken and Tommie and Sue, Levelland; Mrs. Keydell, Post; Mrs. Barrett, Pasadena, California; Mr. and Mrs. Joe Godwin, Riviera, California; Geneva Patterson, and Mrs. Lili Belle Herndon.

Inez Baggett, student at Texas State College for Women, Denton, spent last week-end with Mrs. D. D. Harden and friends.

Reception Honors Harden Newlyweds

Home of Mr. and Mrs. Jack Alford Harden was the scene Friday evening of a reception honoring Mr. and Mrs. Thad E. Harden Jr. of Fort Worth, who were married last Sunday at Independence, Iowa. Mrs. D. D. Harden, mother of the bridegroom, assisted in entertaining.

The bride is the former Betty Eleanor Jayne, daughter of Mr. and Mrs. Morris L. Jayne of Independence. She is a graduate of Independence High School. During the war she was a secretarial employee of the Army Service Forces at Washington, D. C.

The bridegroom, son of T. E. Harden Sr., and Mrs. D. D. Harden of Hamlin, is a graduate of Hamlin High School and of Texas A. & M. College, where he took his degree in architecture in 1938. A reserve officer in the U. S. Army engineers, Harden was called to duty in 1941, and was attached to the Second Engineers Battalion, Second Division, at Fort Sam Houston and Camp McCoy. Captain Harden later was attached to the staff of the 13th Airborne Division and served with Army Service Forces in Washington, D. C. Upon his release from the Army he resumed his former association with Preston M. Green, Fort Worth architect.

The couple was married in the First Presbyterian Church in Independence, Iowa, last Sunday by Rev. David Tallman, pastor. Attendants were Beryle Jayne, sister of the bride, and J. A. Harden, brother of the groom. Linda Jane Murray was flower girl.

Receiving the bride and groom at the reception Friday night in Hamlin were the hosts and Mrs. Vivian Williams of Slaton, Lieutenant and Mrs. Thomas H. Williams, Mr. and Mrs. Harold Harden of El Paso, Mrs. John Ed Day, Judy Harden, Mrs. B. M. Brundage, Suzanne Toler, Shirley Baggett, Inez Baggett, Mr. and Mrs. Holly Toler, Mrs. J. Turner Bynum Jr. of Corpus Christi and T. T. Harden Sr. About 200 guests called during the reception.

Following their visit in Hamlin, Mr. and Mrs. Harden left Sunday for a wedding trip to Monterrey, Mexico. They will make their home at Fort Worth.

Mrs. Grace Odom and J. H. Hart Married

Wedding of Mrs. Grace Odom, daughter of Mrs. Lala Harbert of Hamlin, and J. T. Hart, son of Mrs. A. P. Houghton of Plano, was read at 7:30 o'clock Thursday evening in the home of Mr. and Mrs. Otis Harbert, brother of the bride, at 220 East Campbell Street in Stamford.

An arrangement of pink and white gladioli flanked by tall white tapers in two-branch candelabra was placed between the living room and dining room to form the improvised altar, where the Rev. Miles B. Hays, pastor of the First Baptist Church in Stamford, officiated for the single ring ceremony read before members of the family and a few friends.

Peggy Van Harbert, niece of the bride, played traditional wedding music during the ceremony.

The bride wore a tailored one-piece dress of aqua blue crepe with accessories of black. Her corsage was of sweetheart roses. She has been employed by the Midwest Cooperative Oil Mill for the past two years.

Mr. Hart, who is assistant manager of the Midwest Cooperative Oil Mill, received his discharge from the armed services August 28, 1945, after serving three years in the Navy.

After a short wedding trip to Carlsbad, New Mexico, Mr. and Mrs. Hart will be at home here.

Those visiting in the home of Mr. and Mrs. E. L. Hines at Celotex last Sunday were Mr. and Mrs. Hershel Ewing and children, Daurice, Mary and Freddie of Abilene; Mr. and Mrs. J. V. Ewing and son, Don, of Rotan; and Rev. Williams of Abilene.

W. H. Eyssen Jr. Enters Race for County Judge

W. H. Eyssen Jr. who is back from the U. S. Navy, this week authorizes The Herald to announce his candidacy for county judge of Jones County.

Eyssen's formal announcement to voters will follow next week. Just discharged from the navy, Eyssen is opening up law offices here in Hamlin, where he has practiced, with exception of military service, since 1940.

Post Office and Bank Closed for February 22

Both the Hamlin Post Office and the Farmers & Merchants National Bank were closed Friday in observance of Washington's birthday.

No rural mail deliveries were made Friday because of the holiday observances.

Roger Q. Garrett Jr. Makes Announcement For County Judge Post

Roger Q. Garrett Jr. announces his candidacy for county judge of Jones County, subject to the Democratic primary next July.

In announcing as a candidate for county judge, I realize the duties and responsibilities of the office, and if you see fit to elect me as your county judge it is my only desire to serve you honestly and faithfully to the best of my abilities. I feel that I am capable and qualified to perform said duties.

I was born and reared in Jones County, where I lived the normal life of a farm boy. After graduating from John Tarleton Junior College I chose the University of Texas for more schooling. There I graduated from the school of law and was later granted a license to practice law in Texas by the state bar of Texas.

I volunteered for active duty with the infantry in 1942. I was assigned to the finance department of the 84th Infantry Division, in which I served for more than three years with 16 months overseas. I received an honorable discharge on January 27, 1946, as a staff sergeant with three battle stars and the Bronze Star Medal.

The work of the county judge is the type I enjoy and I have studied hard in preparation for such; therefore, I sincerely ask for your vote and influence in the July primary. It is my desire to see each and every one of you before the election. However, some one once said, "A man's virtues or evils can best be obtained from those who know him." Therefore, to those of you who do not

MRS. G. W. JAMES, LONG-TIME HAMLIN RESIDENT, PASSES

Death called last Thursday afternoon, 5:15 o'clock, and claimed Mrs. G. W. James, long-time Hamlin resident, following an illness of two weeks.

Mrs. James was born Emma Virginia Ray in Monroeville, Alabama, November 10, 1853. After her marriage to G. W. James in 1871, they moved to Louisiana. In 1873, Mr. and Mrs. James came to Bell County, Texas, where they lived until 1907. Since that date, they made Hamlin their home.

Mr. James passed away in 1918. Of the 10 children born to Mr. and Mrs. James, only two survive. They are O. W. James and Mae James of Hamlin. Five grandchildren also survive.

Mrs. James had been a member of the Methodist Church since childhood. In her late years, she was unable to attend church, but she kept in touch with religious activities through her friends and pastor. Illness kept her confined to her home for several years, but she enjoyed callers and was always happy to have visitors. She was an ardent flower lover.

Funeral services for Mrs. James were held Friday afternoon, 4:00 o'clock, at the Hamlin Methodist Church. Rev. E. L. Yeats, pastor, officiated.

Pallbearers were Dr. S. E. Jones, Arch Morris, A. Hudson, Henry Jackson, M. T. Hudson, and G. R. Bennett.

Body of Mrs. James was taken overland in a Barrow hearse, and interment was at Belton.

The house in Denison where General Eisenhower was born still stands and will be made into a World War II memorial.

know me personally I hope that you will talk to someone who does. Respectfully—Roger J. Garrett Jr.

Inez Baggett to Appear In Concerts at TSCW

Inez Baggett of Hamlin will appear with the Concert Band of Texas State College for Women in its formal third anniversary concert in the main auditorium at Denton Tuesday, March 5, at 8:15 p. m. Frederick W. Westphal will conduct the program.

The band will give a series of "pop" concerts in the College Outdoor Theatre April 30, May 7 and 14.

Miss Baggett, a freshman student at TSCW majoring in occupational therapy, plays the clarinet in the band. She is a niece of Mrs. D. D. Harden of Hamlin.

Hulen Bagwell on Way Back from Pacific Area

Hulen Bagwell, SSML 2-c, navy, is returning to the states and Hamlin in the next few days, the U. S. Pacific Fleet reported this week.

Hulen is returning to the United States aboard the U.S.S. Lenawee, which left Guam on February 9. The Lenawee is one of the U. S. Navy's many attack transports which supported the seizure of stepping-stone bases to Japan by carrying thousands of fighting men and their equipment to invasion beaches.

REDDY KILOWATT KITE FLYERS ARE ALWAYS SAFETY-WISE THEY STAY CLEAR OF 'LECTRIC WIRES AND FLY IN OPEN SKIES!

Your kites are lots of fun, boys and girls, but they must be flown properly if you want to be sure not to get hurt. Maybe it's hard for you to believe, but it's an actual fact that hundreds of youngsters throughout the country are seriously injured every year at kite-flying time, some from falls from trees or off buildings. So please be careful . . . watch these precautions, especially:

...Don't use string with wire in it. . . . Keep your string dry at all times. (A damp string is dangerous.)

...Don't climb trees or poles near electric wires to recover your kite.

Remember—you can help keep your record for safety of yourself and others at kite-flying time if you'll heed these warnings. Show this advertisement to your friends.

VEHICLE REGISTRATION IMPORTANT

Importance of every Jones County vehicle owner having his method of conveyance properly registered cannot be stressed too strongly, as Burt Dean, county tax assessor-collector, points out this week.

All titles for motor vehicles to be registered in 1946 must be in order, as most people know. The Motor Vehicle Division of the Texas Highway Department, in fact, emphasizes that the prior year's registration receipt must be presented to the tax collector and owner of a vehicle must have title to same.

A person in every day business pursuits might not think a certificate of title so necessary to a vehicle, but such document must be in order before licenses are renewed or before sale of the vehicle can be made. Too, a certificate of title is most important in case of a possible car theft.

THE WORLD'S REAL 4-FS

Fleas, flies, filth and famine are coming into sharp focus as the world's real 4-F's of humanity. From the rubble and ruin of Europe famine is "riding herd" again and will be that country's No. 1 death killer before another harvest season matures.

Mass starvation in Europe threatens, indeed, to kill more people than the guns of the Allies did, and, despite all the United Nations can do, peoples already suffering from malnutrition will fall by the way before spring thaws bring th melted snows down from the mountains.

While we have no special problem here of famine, we will have problems in combating the other three horsemen—fleas, flies and filth—and Hamlin area people can do much to remedy occurrence of any one. If we rid this area of flies we destroy the basis of typhus; if we keep all flies eradicated we lessen spread of many communicable diseases, and if we keep our back yards and premises clean and inviting we add considerably to enrichment of the entire community life.

LIVESTOCK NEEDS ENCOURAGEMENT

Every person of the Hamlin area who not only believes in Future Farmers of America and 4-H Club work, but in the future of Hamlin area stock farming should make a special effort to attend Friday's FFA and 4-H Club Livestock Show.

Not only are cash prizes an attractive inducement, but the boys have better-quality livestock to show than in several years past, and encouragement from our citizenship will do much to keep the livestock shows an annual Hamlin institution.

Without fine blooded livestock we could not hope for a permanent agriculture in Jones County, and without an incentive we cannot expect our boys to be interested in raising better animals—not only for show purposes—but for local and national markets.

If Texas had not gotten away from the Longhorn steer and converted to the Whiteface, our livestock industry would have folded up many years ago. If we do not, however, back our boys with the present fine animals we have now, we cannot expect the future to bring the just rewards it can if we so incline our activities and put quality above quantity.

HAMLIN HOSPITAL IS SOUND BUSINESS

With the American people having more money to spend during the past three or four years than ever in the history of the country, we have read and heard much about the soundness of investments under somewhat inflated circumstances.

Bonds and stocks, residential and business property and other commodities will no doubt take decided nosedives within the next five years that will make many of us wonder whether we were wise in making the investments.

We believe people of the Hamlin area have in memberships in the Hamlin Memorial Hospital Association opportunity to invest in not only provision for their families' health security, but that the investment is a sound one from a financial standpoint. One major operation in a family that under ordinary conditions at a distant hospital would cost from two to three times as much as it would under the membership and fee plan proposed for the Hamlin Memorial Hospital.

To be sure, the value of the life of a loved could not be estimated. But with the erection of a close-at-hand hospital here in Hamlin, that could be reached within a short time, might well save the lives of community people needing emergency hospital attention.

For a sane, sound and practical investment count a membership for your family in for \$50!

WHAT CONTEMPORARIES ARE SAYING

OUR FREIGHT RATE FIGHT

Progress toward victory in the long fought inter-territorial freight rate parity case recently has been blocked by injunction proceedings brought in a three-judge federal court sitting at Utica, New York, a state where equal and uniform rates are not wanted.

First, the East will never eventually win the pending suit. New York and eight other states in the official zone that have joined in the obstructive campaign may be able to delay the putting into effect of the ICC's order, but in the end they cannot defeat it. For it is right and needful and was based on an overwhelming mass of facts produced at nine hearings over a five-year period, showing that for 57 years the South and Southwest—and Texas—have had to struggle against the cruel handicaps of transportation charges on manufactured goods moving by rail that have averaged, so far as Texas is concerned, 60 per cent higher than in the East on equal haul. Those who have borne this burden, chiefly the producers and consumers, feel that the time of their emancipation is at last on the way.

Second, those who have made the fight for the producing and consuming public are organized, poised to fight on. They feel that the case is now in the hands of and up to the United States Department of Justice, to which agency they have the right to look for leadership in defense by it of an official order of the government that is being attacked. Such is this department's prerogative and solemn duty. The WTCC Freight Rate Equality Federation and cooperating agencies stand ready to lend any and every aid that may be called for by Attorney General Tom Clark in making the final victory.—West Texas Today.

COUNTY CLUB BOYS AND GIRLS OBSERVE NATIONAL WEEK

Members of boys' and girls' 4-H Clubs of Jones and other Texas counties will observe National 4-H Club Week March 2 through March 10, Hannah Nabors, Jones County home demonstration agent, announces this week.

Members of girls' and boys' 4-H Clubs made a wonderful record in the production of food during the war years. Boys fed out and marketed meat animals and poultry and produced field crops and gardens. Club girls grew gardens, canned hundreds of containers of food, raised poultry and even successfully invaded the boys' field of feeding calves and pigs. Both boys and girls made records while taking a larger part in regular farm work than ever before, Miss Nabors states.

Four-H Club work has a special meaning for Texans. The first boys' club in the world was formed in Jack County 38 years ago. The idea originated with Tom M. Marks, publisher of a weekly newspaper, who later became county agricultural agent for that county. The first group was organized to grow better corn and was known as the Boys' Corn Club. The first girls' club in Texas was in Milam County, where Girls' Tomato Clubs were organized in 1912.

That's the history of the youth movement which ties Texas so closely with 4-H Club work. Since the small beginning it has spread to every state with more than 1,500,000 enrollments, and to other countries.

The Jones County home demonstration agent says 10 guideposts for 4-H Club programs in 1946 have been worked out. To help prepare tomorrow's citizens, physically, mentally and spiritually, 4-H Club work provides opportunities for voluntary participation in programs built on needs and interests through which youth are:

- (1) Developing talents for greater usefulness; (2) joining with their

Terrell Foods Installs Doughnut Making Unit

Terrell Foods, located across the street from the Ferguson Theatre, has installed a Downy Flake doughnut making machine that turns out fresh doughnuts daily.

The doughnut manufacturing machine not only measures out the batter but drops the dough into the frying unit. The machine automatically slides out crisp, brown and freshly-done doughnuts within a short time.

Boy Scouts and Leaders Enjoy Overnight Camp

Joe McCrary, Mardell Lynch, Art Carmichael and Jim H. King accompanied 28 Hamlin Boy Scouts to Hamlin Lake Friday evening.

The entire group participated in an overnight camp. Following supper Friday evening, an enjoyable time was spent around the camp fire and boys who went on the outing declared themselves heartily in favor of another such "bivouac."

friends for work, fun and fellowship; (3) learning to live in a changing world; (4) choosing a way to earn a living; (5) producing food and fiber for home and market; (6) creating better homes for better living; (7) conserving nature's resources for security and happiness; (8) building health for a strong America; (9) sharing responsibilities for community improvement; and (10) serving as citizens in maintaining world peace.

LIONS GROUP WILL MEET TUESDAY AT SYLVESTER SESSION

A. Spencer, club vice president, resided Tuesday noon at regular weekly luncheon of the Hamlin Lions Club. When President Art Carmichael entered, he took the chair. The group joined in singing "Home on the Range."

Following failure of the plan for a contest between Hamlin Lions and Hamlin Rotary Club, members pledged to proceed with the hospital memorial membership campaign.

Henry Albritton announced that the Sylvester Lions Club had invited Hamlin Lions Club to the next regular Sylvester gathering next Tuesday night. About 12 Hamlin Lions will attend the conclave.

T. C. Blankinship, Hamlin School A instructor, reported that the FFA boys attended the Roby Stock Show Saturday and copped four

placings out of four entries in the dry-lot calf class.

Blankinship, in further remarks, said the Hamlin FFA boys also won four places, Roby show, in the hog division and six places in the Jersey heifer division.

Monday, at Sweetwater, the Hamlin boys won placings at this four-county exposition.

It was pointed out that plans have been finished for the March 1 show here. Entries will include at least 25 calves, 25 hogs, 15 Jersey heifers, and 20 sheep.

President Art Carmichael announced that Ted Russell and John Howard constituted personnel of the March program committee.

NOW IS TIME FOR PRUNING OF FRUIT TREES SAYS AGENT

Now is the time for all people of the Hamlin area to get busy and care for their fruit trees.

It's time, right now, reports H. C. Stanley, county agent, for folks to prune, spray, fertilize and loosen the ground around fruit trees.

There is yet time, Stanley continues, to get a new orchard started this season. Select as large a variety of fruit trees as possible; plus kinds that are adapted to this locality and get them planted before the dormant buds begin to "pop." In areas of extremely cold winters, early spring plantings are preferred to late fall and winter.

The dormant pruning job which may not have already been done should be done immediately. All fruit trees and vines should be pruned some each dormant season.

If San Jose scale (an ashy-gray scale on trunk and limbs), a leaf curl and brown rot are prevalent on plums, peaches, and related fruits, spray thoroughly just as the buds begin to swell, with liquid lime sulphur or dry lime sulphur mixed with water according to directions on the container. If scale is unusually heavy, earlier spraying with a three per cent oil emulsion spray is advisable.

In the bearing orchard, if a few trees have died or look unusually sick, dig them up and replace with new trees. The soil supporting dead or dying trees may be infected with diseases that will attack newly planted trees. To be safe, remove all soils supporting the old tree and replace with new, clean soil.

Blackberries may be started this month by using rooted section of the old plant, young plants that may have grown near the mother plant, or from root cuttings. Berry roots three to six inches long and three-sixteenths to one-half inch in diameter, planted two per hill and spaced eight to 12 inches apart should give an excellent start. Thin them out if too many "come up."

Dewberries may be propagated from young rooted plants this month. Cut and store pecan budwood of the desired variety for spring pecan budding and grafting work. This is a simple, easy job for the interested propagator.

March is an excellent month to dehorn pecan trees on which it is desired to propagate the desired variety of pecan. Trees so dehorned are usually "patch-budded" the following June or July with "current season" buds of the desired variety, Stanley concludes.

A Lubbock preacher thanked his congregation for a gift of brandied peaches, especially for the spirit in which they were given.

VFW WORKING ON AMERICANISM FOR MAJOR ACTIVITY

"Americanism is an unfailing love of country; loyalty to its institutions and ideals, eagerness to defend it against all enemies; undivided allegiance to the flag and a desire to secure the blessings of liberty to ourselves and posterity."

This was the statement of officials of the Hamlin VFW unit this week, who stated further:

Fulfillment of this definition reflects the purpose of the Veterans of Foreign Wars or the United States in its efforts to co-ordinate the Americanism activities of its local units.

The VFW Americanism program is broad in scope and variety. In general, the VFW Americanism program includes educational opposition to subversive and un-American activities; the promotion of community welfare; cooperation with all groups working toward the goal of "better Americans and a better America;" naturalization of aliens; observance of patriotic holidays and anniversaries; and youth welfare and education.

The VFW Americanism program stresses the theme that American citizenship is both a privilege and a responsibility; that the blessings of democracy must be preserved against the carelessness and indifference of those they benefit; that liberty and freedom can be lost to those who fail to value these blessings.

The Veterans of Foreign Wars of the United States advocates the principle that a great nation cannot be maintained successfully without personal sacrifices by its citizens. Hence the service rendered by a VFW member in time of war does not represent the full measure of his obligation to his flag and country. It merely brings to him a realization that his service and sacrifices—and those of his comrades-in-arms—represent an investment in America which must be constantly protected in times of peace.

The Hamlin unit of the VFW Post No. 6,014 meets every first and third Tuesday night at 7:30 o'clock p. m. over the City Hall. All veterans are urged to join our post. Join today!

HOME AGENT SAYS PLANT BED GIVES GARDEN BIG START

Here it is gardening time again, states Hannah Nabors, Jones County home demonstration agent. And 3,500 home gardens, at least, is the goal of Jones County homemakers.

Providing vegetables through a home garden is not only economical but encourages better nutrition for the family, Miss Nabors continues.

By this time most gardeners should have the site prepared and ready for planting. In order to get high productivity and good quality products some consideration should be given to the varieties of vegetables adapted to this locality. A few vegetable plants, that are frost tender, lend themselves well to starting in a hotbed or plant box.

A demonstration on how to make this plant bed and handle the plants from it was given to 185 4-H Club girls in 11 clubs during the meetings in February. Part of the same demonstration was given to Home Demonstration Club women.

In making the plant bed, equal amounts of garden soil and fertilizer were mixed in a plant box. The rows were marked off four inches apart, and tomato seed dropped four or five to the inch. The seed were covered about one-half inch deep and small gravel was sprinkled over the top before the bed was thoroughly sprinkled with water. Suggestions on care of the plants included protection from too much sun or extreme cold, and applications of water to keep the bed slightly moist at all times. As plants are transplanted to the open garden after danger of frost is over, they may be watered with a starter solution made up by using one pound of 4-12-4 fertilizer, or Vigoro, to six gallons of water. About one pint around each plant will increase the growth about 40 per cent the first month, which will give the plant an earlier start and help in setting the fruit.

79 in Jones County on Social Security Benefit Roll Get \$1,193 Month

Jones County, at present, has 79 persons who receive \$1,193 in monthly Social Security benefits, the Abilene District of the Social Security Administration announced Tuesday.

Ralph Fisher, manager of the Abilene office, says the Abilene field office distributes a total of about \$23,790 each month—in 16 counties of this area—to 1,554 persons.

Sixty per cent of all beneficiaries in Jones and other West Texas counties are women and children.

Tabulation of figures for Jones and nearby counties follows:

	rec.	amt.
Jones	79	\$1,193
Haskell	54	716
Kent	10	112
Stonewall	1	24
Taylor	336	6,080
Nolan	95	1,380

ED AKERS, SANTA FE ENGINEER, DIES AT HOME IN HAMLIN

Funeral services for W. Ed Akers, 57, Santa Fe engineer, were held Tuesday afternoon, at 2:30 o'clock, at Barrow Funeral Home, Hamlin, with Brother Mardell Lynch, Hamlin Church of Christ minister, officiating.

Mr. Akers died Sunday morning, 8:30 o'clock, at his home after a brief illness. He had made his home in Hamlin since 1914.

Mr. Akers is survived by the widow and a daughter, Marie.

Pallbearers were George Owens, Ben Wagner, Jack Hinkle, Ronnie Kidd, Paul Wick and Delbert Rountree.

Barrow Funeral Home directed arrangements, and Mr. Akers was land to rest in East Cemetery.

Santa Fe Traveling Auditor Reports Safe Cracking on System

While at Sylvester, R. H. White, traveling auditor of the Panhandle & Santa Fe Railroad Company, with headquarters at San Angelo, said a wave of safe crackings had been reported at stations on the Santa Fe Railway.

White reports four safe cracking jobs in the last four days. Yeggs knocked knobs or blew safes at Muleshoe, Sudan, Amherst and Levelland. The heaviest loot was \$16 secured at Levelland.

"We are expecting an epidemic of this sort on our lines as was the case following World War I," White said. White was here making his periodical check of the local freight and passenger accounts.

White's son, a member of the Lost Battalion, has arrived safe at home, he said.

W. W. Green Erecting New Produce Building

One of Hamlin's new business structures going up this week is a new stucco job just east of the F. & M. National Bank.

The building is being erected by W. W. Green. It is understood it will be used as a produce house.

Beginners Teachers Honor Mrs. Sanford

The teachers in the Beginners' Department of the First Baptist Church entertained Tuesday evening in honor of their superintendent, Mrs. Dode Sanford, who is moving to Abilene. The honoree was presented with a beautiful candy jar.

Refreshments were served to Mrs. Thomas S. Ferguson, Mrs. Thomas B. Conner, Mrs. W. C. Hargrove, Mrs. J. C. Harvey, Mrs. Troy Austin, Mrs. Lott Shell, Jr., Mrs. J. L. Altum, Mrs. Alton Clemmer, and Mrs. Sanford.

Let The Herald print those wedding announcements.

Baptist Business Women Elect New Officers

The Business Women's Sunday School Class of the First Baptist Church met Friday, February 22, at 8:00 p. m. in the home of Mrs. John Walton, to organize and elect officers for the new class.

A Mexican dinner was enjoyed by the following members: Mrs. Vera Nobles, Mrs. Ross Fomby, Nettie Bowen, Mae Gay, Mrs. Lewis Yates, Willie B. White, Mrs. Dub Burgess, Mrs. Everett Townley, Mrs. Austin Poe, and Florene Cornett.

After the dinner, the teacher, Mrs. Austin Poe, took charge of the meeting and the following officers were elected:

Assistant teacher, Mrs. W. C. Russell; president, Mrs. Vera Nobles; first vice president, Mrs. Ross Fomby; second vice president, Lennie Greenway; third vice president, Mrs. Lewis Yates; secretary-treasurer, Nettie Bowen; assistant treasurer, Elsie Withers; and reporter, Florene Cornett.

This class urges all members to be present each Sunday and invites all the business ladies of Hamlin to attend.

J. H. Rhotons Honored On Golden Anniversary

Mr. and Mrs. J. T. Rhoton were honored in the home of their son, Mr. and Mrs. J. R. Rhoton, near McCaulley Sunday by their children with a dinner. It was their golden anniversary.

Dinner was served, featuring a big golden anniversary cake.

Many gifts were received by the long-time area residents, both by attendants and others who sent remembrances.

Children of the honorees present for the happy occasion were Mr. and Mrs. J. R. Rhoton and children, Wilma and Robert Jr. of McCaulley; Mr. and Mrs. Tom Mahaffey and children, Christine, Florene and Eulene, of Roby; Mr. and Mrs. George Rhoton and children, Alice Wayne and J. P., of Roby; Mr. and Mrs. Marvin Rhoton and children, J. R. and Elmer, of Celotex; Mr. and Mrs. Earl Rhoton of McCaulley.

Teen Ager Meet in O. G. Harvey Home

Hamlin Jolly Teen Age Club met Saturday evening in the home of Mrs. O. G. Harvey. Beverly Ann Harvey was hostess, with Lavena Kite as co-hostess.

An exceptionally enjoyable time was reported by attendants, especially with the "duck wedding."

Refreshments of soda pop, fritos, candy and cookies were served to the largest group of teen-agers yet to attend such a gathering. Saturday evening's event constituted the seventh of the Jolly Teen Age Club parties.

Attendants at Saturday's gathering were: Phyllis Richardson, Edith Ann Scott, Jane Adams, Nevalyn Bagwell, Verlene Stewart, Joyce Barnett, Alice Beene, Mozelle Barnett, Jeanette Bevels, Sarah Steele, Ida Frances Robertson, Mauda Beene, Elma Ree Brewer, Olive Adams, Betty Jane Barry, Wanda Jean Mayfield, Wanda Rae Ford, Lavena Kite, Patsy Brashier, Joyce Robertson, Margaret McBride, Diane Carlton, Jo Ann French, Jerita Durham, Margaret Ryan, Shirley Baggett, Suzanne Toler, Betty Lou Ferguson and Beverly Ann Harvey; F. W. Poe, Joe Weir, Larry McCoy, Theodore Copeland, Doyle Dean, Arthur Tom Carlton, Jack Gray, Gene Richardson, Runt Rodgers, Ray Myers, Bob Smedley, Jerry Wagoner, Jimmy French, James Brown, Thomas Marr, Otis Perry, Bob Westmoreland, Norris Blanton, W. C. Moore Jr., Don Petty, Jack Dean, Elton Brigham, Bill Pritchard, Elmer Terrell, Harvey Rivers, Jesse Locke, Joe Clements, Jack Owen, Herman Wood, Jack Bowman, Bob Crowley, Bobby Bawell and Mrs. Harvey.

Crowned king and queen of fun for the evening were Patsy Brashier, queen, and Thomas Marr, king. They will reign as king and queen of fun until the next party at the Harvey house.

Methodist Women Slate Two Meetings

COUNTY AGENT HEARS CEILING PRICES ON PRODUCTS TO BE REMOVED GRADUALLY

H. C. Stanley, county agricultural agent of Jones County, attended the Extension Service District 7 meeting in Brownwood last Wednesday and Thursday. At this meeting the agent learned several things which he wants to pass on to Herald readers.

Bill Morgan, economist for the Texas A. & M. College Extension Service, made the statement that net farm income likely would drop a little in 1946—perhaps 10 to 15 per cent. He based his opinion largely on these assumptions: Farm prices would average somewhat lower; farm production would not quite reach the 1945 level; and farm production costs would at best drop only slightly.

Tyrus R. Timm, economist in farm management for the A. & M. College Extension Service, gave the following information:

Inflationary pressures are vastly greater today than they were at the end of the last year. Military expenses to date have totaled \$290,000,000,000 compared with only \$32,000,000,000 spent by our government on World War I. Military outlay alone for the first 10 months after V J Day—after actual fighting had stopped—will approximate \$41,000,000,000—nine billions more than the total cost of World War I.

Total savings increased in this war period by \$150,000,000,000 as compared to \$27,500,000,000 in World War I. Furthermore, in 1919 national spendable income (after taxes) was \$65,000,000,000. In 1946 it is expected to reach \$121,000,000,000. Added to these pressures, only \$95,000,000,000 of consumer goods and services likely will be produced in 1946, leaving a gap of \$26,000,000,000.

Ceiling prices on important farm commodities probably will be continued in 1946 as long as retail prices of these commodities are generally at ceilings. At present price ceilings are on most of the farm commodities. One of the important exceptions is Irish potatoes. Ceilings have been suspended for a certain period on this item.

Farm commodities will be de-controlled commodity by commodity with a tried period of suspension before controls finally are dropped. Early in the winter government officials predicted that price ceilings on food commodities could be de-controlled as follows: Eggs and cer-

tain vegetables shortly after January 1; milk and other dairy products about April 1; grains, legumes, and field seeds by late spring; low quality, utility, stew, and processed meats during the summer grass-fed cattle run; sugar, fats and oils and top grades of meat in late 1946. Recently officials stated flatly that the supply-demand situation was such as to prevent following this pattern. Therefore, it is expected controls will last several months longer than first anticipated.

The price control law expires June 30, 1946. There is general feeling that the act substantially in its present form will be extended at least for another six months.

CAMP FIRE GIRLS OFFICIAL WORKING IN HAMLIN REGION

Miss Clarie Barricks, national field worker with the Camp Fire Girls, arrived here Monday and will be in this sector until March 5, it was announced Tuesday by Hamlin Camp Fire Girls officials.

Miss Barricks will have an exhibit on display made by the National Art Department in New York City and will teach craft techniques during her stay here.

All Girl Scout leaders are cordially invited to attend these craft courses, being held here, at Knox City, Albany and Haskell.

Program for Miss Barricks, which should be clipped for future reference, follows:

Thursday, February 28, Haskell: Training course, 2:00 p. m. in High School, sponsored by P. T. A. Mrs. Ray Sanders, president.

Friday, March 1: Anson; afternoon training course.

Saturday, March 2, Knox City: Miss Barricks will speak at Knox City Study Club. Mrs. E. F. Bron-ton, president.

Gypsy Hour, 4:30, sponsored by Horizon Club for Blue Bird-Camp Fire Girls. All girls of Rule, Rochester, Munday, and Knox City are invited.

Monday, March 4, Knox City: Training course, 4:00 p. m. for leaders, Guardian sponsors. Rochester, Rule, Munday and Knox City are invited.

Tuesday, March 5, Aspermont: for Aspermont and Jayton. Training course, 2:00 p. m. at Hotel Stonewall. P. T. A. sponsor; Mrs. T. Houston Ward, president. "Gypsy Hour," 4:00 p. m. sponsored by P. T. A. for all Blue Birds, Camp Fire Girls and Horizon Clubs. Evening board meeting Hotel Stonewall.

Frank Joiner Gets Discharge.

Among those receiving honorable discharges from the United States Navy during the past few days was Frank James Joiner, seaman second class, of Hamlin, according to advice from the branch office of Public Information, Eighth Naval District, at Dallas.

Local Grocers in New Wholesale Foods Firm

J. B. Terrell and Joe Simpson of Hamlin are among stockholders of a newly created wholesale grocery business which nearly 40 independent grocers of this area formed.

The new enterprise, which will have headquarters at Abilene, has been named Independent Wholesale Grocery Company. Application for a state charter, The Herald understands, has been filed.

General manager of the new enterprise is George Sallee, who has been identified with the wholesale grocery business in Abilene more than 20 years.

President of the corporation is E. L. Thornton, head of Thornton Department Store, Abilene. Other officers include J. M. Lawrence of Sweetwater, vice president, and E. C. Nichols, Abilene Piggly Wiggly storeman, secretary-treasurer.

MRS. NINA STACY DIES FRIDAY NIGHT AT HOME IN HAMLIN

Mrs. Nina Stacy, 75-year-old Hamlin resident, succumbed Friday evening, 7:45 o'clock, at her home here in Hamlin after a brief illness.

Mrs. Stacy, who was well known in this trade section, had lived here 39 years.

Final rites were held Sunday afternoon, 3:00 o'clock, at Barrow Funeral Parlor. Rev. Cundieff officiated.

Mr. Stacy, it will be recalled, passed away April 3, 1944.

Mrs. Stacy is survived by a son, Harris Stacy, and a daughter, both of Dallas.

With Barrow in charge of arrangements, burial was made in East Cemetery.

Dr. McCrary Attends District Dental Session

Dr. J. W. McCrary, Hamlin dentist, and Billy Holmes, dental student, joined dentists of North and West Texas Saturday evening in Abilene for a convention of the 17th District Dental Society.

Dr. McCrary reports that plans were made at the convention and banquet to resume meetings quarterly within the district. During the war, activities of the group were severely curtailed. Next meeting will be in Sweetwater May 25.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)
